

iSubpoena Version 6.1.10 Update

(Includes 6.1.9.x micro releases)

On **January 29 2026**, the iSubpoena Mobile Subpoena Service will be updated with new updates, enhancements, and modifications. Customers that have subscribed to the annual License, update and maintenance plan will automatically have access to these new features and enhancements.

Users of the iSubpoena system suggested some of these updates, enhancements, and modifications. We look forward to your suggestions and comments to make this service a tool that will benefit and streamline your criminal subpoena process. Please comment or contact us [here](#)

The updates, enhancements and modifications outlined below have been applied to the iSubpoena Professional System. Although we have thoroughly tested all new features before implementation to production, unforeseen issues may arise. If you experience any issues, please [contact us](#) immediately.
